

# *Long Island Football Officials Clinic, Inc.*

We hope that you will join us for our fourth annual **Long Island Football Officials Clinic**. Following last year's extremely successful clinic, we have assembled another group of prominent NFL officials for your instruction and guidance. It is our goal to provide high school football officials with the training and expertise they need to take their game to a higher level.

This staff will be conducting group discussions, breakout sessions by position, film reviews and on field demonstrations. These classes have been designed to give every official some of the advanced mechanics they need to succeed and elevate their officiating skills.
